Mike Converse, Secondary Principal

Joel Dickerson, Elementary Principal

Parents/Guardians,

Wright City Schools Covid-19 Response Guidelines have changed slightly due to the six month review process. This process is a collaboration of parents/community, staff and the Wright City Board of Education. Attached you will find our revised Safe Return to Learn Plan 2021-2022 that we will use moving forward. We will revisit this plan next month to determine if further changes are necessary. The only revision to our plan deals with Close Contact Quarantines. We have added the option of a 5 day quarantine with 5 days of recommended masking upon return to school, as long as no symptoms are present. This only applies to Close Contacts, not Positive Covid Cases. We understand this is different from current CDC guidance in some ways. Our goal is always to remain in school, while keeping our students, staff and community as safe as possible. If you have any questions or concerns, please feel free to contact me at school. Thank you again for your continued support of Wright City Schools.
